Dear Community Friend,

As you may already know, Galatas Elementary, a public school in the Conroe Independent School District, has long been a leader in education. We are proud of our school and the continued support from the community that helps make Galatas so outstanding.

On Friday, April 23, 2021, our Parent Teacher Organization will be hosting our much anticipated spring fundraiser, Come Fly With Me at Springetti! In the past, this has been a fun family event featuring live and silent auctions, adult and kids raffles, and endless fun entertainment for the children!

Over 1,200 people attend this event and funds raised annually have supported our school in multiple ways. Last year's event raised over \$80,000 and was applied toward continual needed technology updates, testing and tutoring, and instructional materials for the classrooms. Because of the success of this event, we are able to enhance the educational experience for each and every child at Galatas Elementary School.

We would sincerely appreciate your participation in our event by donating an item, service, or a gift certificate for our auction. Your generous donation will be listed in our program and your business will be featured as a company that supports the Galatas Greyhounds! Your participation provides visibility for your brand and will be viewed by over 1,200 prospective customers that are active in the community and loyal to businesses that support their causes.

We hope you will join us as we work to provide Galatas students the tools to shape the future of our community for now and in the years to come. Thank you so much for believing in our children's future! If you have any questions or comments, please feel free to contact us anytime.

Sincerely,

Stephanie Gaston (404-721-7935, springettidonations@gmail.com)

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(2).

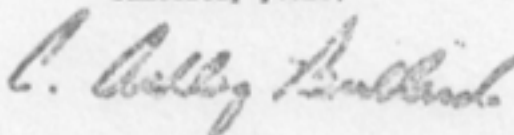

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

District Director
