

Dear Galatas Families,

On behalf of the PTO, we would like to welcome everyone [Back to School](#). The PTO consists of parents and teachers working together to support and enrich all students education. We support the school's teachers/staff, help promote educational enrichment, and assist in efforts to solve school needs.

What is the PTO? The PTO is comprised of Parents and Teachers who are motivated to provide our students with the best education possible. We support, encourage, and fund many important programs used for education such as: Technology Updates, Instructional Materials, Computer Licenses, Educational Enrichment Activities (Science Camp, Reading Week), Teacher & School Supplies, Teacher Appreciation Activities. Additionally, we have provided new equipment for the playground, PE, music and art education support, and more!

Who can be a PTO member? YOU! When you join the PTO each year YOU become an active member of the PTO. This affords you the ability to vote on the direction of our PTO and other important issues for our school. Members also receive access to the digital Galatas Directory and car sticker.
