Fishing

By Owen B.

Section 45

The other day in Huntsville, I was fishing in Huntsville and we usually catch perch from the dock with corn. We fish for bass with crickets, grasshoppers, or lures on the side of the pond. I was fishing off of the dock where we usually catch perch, but I caught a bass with CORN. I was so surprised and excited because I didn't expect to catch anything and then I did better than my brothers! They couldn't believe it. We threw the bass back so that he could live on with his life, but it was still really fun!!!

Relax

By Noah A.

Section 36

"Son why can't you just relax," said Dad

"Just breath in a deep breath from inside"

"Nothing can happen to you that's bad"

"Your true self is in you, it just likes to hide"

"And a piece of advice from me to you,"

He said in a tone of disgust

"Evil won't be stopped by goo"

And that was my big bust

All About Baseball

By Brandon B.

Section 27

Let me tell you about baseball. In baseball, you have a bat, glove and a baseball.

A baseball has a grip on different sides.

The bat has a fat part. The fat part is on the end of the bat and when you hit it with the ball, it gets crushed.

The glove is shaped like a hand. It has an oping to fit your hand in it. The glove has a net in it. It helps you catch.

Baseball is fun!
